Frequently Asked Questions

Q - Is there a fee for taking my blood?

A £40 phlebotomy fee applies to individual tests. For patients requiring multiple investigations, we can create bespoke testing packages offering a more targeted and cost-effective approach.

Q - How quickly will I receive my results?

Results are typically available within 3–5 working days. Urgent processing can be arranged — please let us know when booking.

Q - Do you offer tests not listed here?

We offer a far wider range of tests than listed. Call us on 0141 370 5600 — there is a very high chance we offer exactly what you need.
