

# Travel Clinic & Vaccinations

Whether you are preparing for your next holiday, catching up on immunisations you never got round to, or need something specific that is hard to find elsewhere — we make vaccination straightforward. Short-notice appointments available. We are an approved Yellow Fever centre. A destination-specific travel health consultation is included with your vaccination appointment.

## Travel Vaccination Pricing (Per Dose)

Vaccination	Price Per Dose	Notes

## Hajj & Umrah Vaccinations

We provide all vaccinations required for Hajj and Umrah pilgrimage, including the mandatory Meningitis ACWY vaccination. Certificates are issued on the day. Please book in advance of your travel date to allow time for the full vaccination schedule where required.

## Antimalarials & Fit to Fly Certificates

- Antimalarial prescriptions following a brief travel consultation — tailored to your destination, itinerary, and health history. Call us to discuss.
- Fit to Fly Certificates — for medical conditions, recent surgery, or airline requirements — following a brief consultation. Please call in advance of your travel date.

## Frequently Asked Questions

---

**Q · How far in advance should I book?**

6–8 weeks before departure is ideal. We accommodate last-minute travellers and offer accelerated schedules where possible. Travelling within 10 days? Call us directly.

**Q · Do you vaccinate children?**

Yes. We offer paediatric travel vaccinations for all commonly recommended vaccines. Our clinicians will advise on appropriate doses and timing.

**Q · Can you provide vaccination records for travel or official use?**

Yes. We can provide signed and stamped vaccination records for travel, institutional, or official purposes. Please let us know what you need when booking.
